Section 1. Workweek

- A. The official workweek or work period for employees shall be as follows:
1. Except as otherwise provided below, the official workweek for full-time employees shall be forty (40) hours and shall begin on each Friday and end with the following Thursday. Work ordered and performed in excess of forty (40) hours worked in a workweek shall be overtime.
 2. The work period for employees in specified divisions may be established on a pay period basis, starting on a Friday and ending on the second Thursday thereafter. Such employees who occupy full-time positions shall be scheduled to work eighty (80) hours in each work period. Such work shall not be regularly scheduled on more than ten (10) calendar days during any work period and scheduled days off shall fall on at least two (2) consecutive calendar days. Work ordered and performed in excess of eighty (80) hours worked in a work period shall be overtime. Such work periods shall not be implemented without the parties first negotiating and attempting to reach agreement on such hours of work for each division or work unit proposing implementation of such work periods.
- B. The Superior Court agrees to give employees a seven (7) calendar day advance notice of a shift change whenever practicable.
- C. No employee shall be permitted to work more than sixteen (16) consecutive hours except in an emergency situation.
- D. The Superior Court shall discuss with OCEA any proposed changes in existing scheduled hours of work before such changes are put into effect. Whenever practicable, the Superior Court shall provide written notification of such proposed changes to OCEA at least fourteen (14) calendar days before such changes are put into effect.
- E. Except as otherwise provided, no employee may be employed in one (1) or more positions, full or part-time, more than the total number of hours for the employee's work period as defined in A., above, except on authorized overtime.
- F. This Section shall not prevent an employee or group of employees from requesting a modified work schedule. Such requests may be implemented by the Superior Court.
1. Upon written request by OCEA, the Superior Court agrees to study the feasibility of establishing work schedules consisting of either:

- a. four (4) ten (10) hour workdays per week;
 - b. four (4) nine (9) hour workdays each week with an additional eight (8) hour workday on alternate weeks; or
 - c. flex time.
2. The Superior Court shall initiate such studies within thirty (30) days and provide a written response within ninety (90) days.
 3. OCEA agrees not to request more than four (4) such studies concurrently for the combined Superior Court units represented by OCEA.
 4. The Superior Court agrees to discuss with OCEA any findings and recommendations prior to reaching a final decision and implementation.

G. In addition to any other position or positions that are held, an employee may also voluntarily work in a capacity authorized for the Registrar of Voters in the course of an election provided that such election work does not unduly interfere with the employee's regular assignment. Election work shall be compensated at the rate authorized for such work.

Section 2. Overtime

A. Notification of Employees

If in the judgment of the Superior Court, work beyond the normal workday, workweek or work period is required, the Superior Court will notify any employee who may be asked to perform such overtime of the apparent need for such overtime as soon as practicable prior to when the overtime is expected to begin.

B. Distribution of Overtime

1. The Superior Court shall make a reasonable effort to make overtime opportunities available on an equal basis to employees capable of performing the work.
2. If the responsible supervisor determines that overtime is necessary on work that started on an assigned shift, the assigned employee(s) may continue with that work as an extension of the assigned shift.
3. The Superior Court and OCEA may meet and confer and, in so doing, shall attempt to reach agreement regarding specific provisions for the distribution

of overtime among employees of various individual work units. Such provisions shall be consistent with Sections 2.B.1. and 2., above.

C. Payment for Overtime

1. Overtime shall be compensated at one and one-half (1 ½) times the regular rate.
2. For all regular, limited-term and probationary employees, overtime may be converted to compensatory time or paid for at the option of the Superior Court. Consideration shall be given to effectuating the wishes of employees. Employees with existing compensatory time balances of eighty (80) hours shall be paid for all overtime work performed in excess of that amount.
3. Overtime hours worked by extra help employees shall be paid.
4. Compensatory time earned and accrued by an employee in excess of thirty-two (32) hours may be scheduled off for an employee by the Superior Court; however, consideration shall be given to effectuating the wishes of those employees requesting specific compensatory time off periods.
5. No scheduled compensatory time off will be canceled except in cases of emergency.
6. In no case may an employee's work schedule be changed during the workweek when the purpose of such change is to avoid overtime compensation.
7. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. Compensatory time off may be used as part of the established workweek to earn fringe benefits and to serve out probationary and merit increase periods.
8. An employee separating from service for reasons other than paid County/Court retirement shall be paid for accumulated compensatory time in a lump sum payment.

Section 3. Rest Periods and Cleanup Time

- A. Employees shall be allowed rest periods of fifteen (15) minutes during each four (4) consecutive hours of work.

Such rest periods shall be scheduled in accordance with the requirements of the Superior Court, but in no case shall rest periods be scheduled within one (1) hour of the beginning or the ending of a work shift. The Superior Court may designate the

location or locations at which rest periods may be taken. Rest periods shall be considered hours worked and employees may be required to perform duties, if necessary.

Section 4. Premium Pay

A. Night Shift Differential

1. An employee who works an assigned night shift shall, in addition to his or her regular salary, be paid a night shift differential for each hour actually worked on the assigned night shift.
2. For purposes of this Section, night shift shall mean an assigned work shift of seven (7) consecutive hours or more which includes at least four (4) hours of work between the hours of 4 p.m. and 8 a.m. Overtime which is worked as an extension of an assigned day shift shall not qualify an employee for night shift differential.
3. The rate of night shift differential shall be five (5) percent of the employee's basic hourly rate with a minimum of sixty (60) cents per hour and a maximum of one (1) dollar and fifty (50) cents per hour.

B. On-Call Pay

1. When a regular, limited-term or probationary employee is assigned on-call duty by the Superior Court, the employee shall, whenever practicable, be informed in writing at least five (5) days in advance of the dates and inclusive hours of such assignment; the employee shall be compensated at one-fourth (1/4) of his or her basic hourly rate for the entire period of such assignment.
2. On-call duty requires the employee so assigned to: (1) to be reachable by telephone or other communications device; (2) be able to report to work in a reasonable time; and (3) refrain from activities which might impair his or her ability to perform assigned duties.
3. On-call pay shall not apply to extra help employees unless expressly directed in writing to be on-call.

C. Call-Back Pay

1. When an employee returns to work because of a Superior Court request made after the employee has completed his or her normal work shift and left the work station, the employee shall be credited with four (4) hours work plus any hours of work in excess of four (4) hours in which the employee is continuously engaged in work for which he or she was called back.

2. Call-back shall be paid at one and one-half (1 ½) times the regular rate.
3. There shall not be any duplication or pyramiding of rates paid under this Section.
4. An employee shall be credited with not more than one (1) minimum four (4) hour guarantee for work performed during any four (4) consecutive hour period.
5. An employee credited with four (4) hours pursuant to this Section may be assigned other work until the guaranteed time has elapsed.
6. Call-back pay shall apply only when an employee is required to physically return to work (e.g., leave home or another off-duty location) in order to perform required duties.

D. Bilingual Pay

1. Qualified employees who meet the following criteria shall receive an additional fifty eight (58) cents per hour (approximately one hundred [100] dollars per month) for all hours actually paid.
 - a. An employee must be assigned by Superior Court management to speak or translate a language in addition to English. This includes such specialized communication skills as sign language.
 - b. Employees must regularly and frequently speak and/or translate a second language, i.e., once daily.
 - c. To become qualified, employees must be certified as qualified by the Superior Court.
2. Bilingual pay shall not apply to workers' compensation supplement pay.
3. An employee in a bilingual assignment may request assignment to a position which does not require bilingual certification. The request shall be made in writing to the Chief Executive Officer who will consider it according to:
 - a. Superior Court need;
 - b. availability of a qualified replacement; and
 - c. availability of another suitable assignment for the requesting employee.

4. Upon the agreement of the parties, negotiations shall be reopened for the sole purpose of considering the addition or deletion of classes eligible for exceptional bilingual pay.

ARTICLE II - PAY PRACTICES

Section 1. Compensation for Employees

Employees shall receive compensation at the biweekly or hourly rate for the range and step or flat rate assigned to the class in which they are employed.

Section 2. Pay for New Employees

- A. A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired unless otherwise authorized by Superior Court.
- B. If recruitment or appointment is authorized at a step higher than the recruiting step, advancement of the salary of incumbents in that class or related classes, may, in order to retain equitable relationships, be authorized.
 - 1. The Superior Court may adjust the recruiting step of classes wherever justified by recruiting and labor market considerations.
 - 2. If a recruiting step is decreased, incumbents of the class will be unaffected.
 - 3. If a recruiting step is increased for a class, all employees in that class below the new recruiting step shall be advanced to the new recruiting step and a new merit increase date shall be assigned as provided in Section 3.C. for new employees.
 - 4. Any regular employee whose salary could be bypassed by a new employee, if that employee was hired the date of the recruiting rate change, shall have his or her merit increase date advanced to the same date provided for such new employee.

Section 3. Merit Increase Within Range

- A. Extra Help employees shall not be eligible for merit increases within range.
- B. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the Superior Court.
- C. A new or re-employed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class. The granting of an Official Leave of Absence (other than a Military Leave) or the imposition of a suspension shall cause the merit increase eligibility date to be extended a number of calendar days equal to the Official Leave or suspension. The

extended merit increase eligibility date will be effective the first day of the pay period after said date. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of fifty-two (52) week intervals subject to the same postponement for Official Leaves of Absence or suspensions.

- D. An employee in a part-time regular or limited-term position who has not completed one thousand forty (1040) paid hours exclusive of overtime by his or her first merit increase date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of overtime. Where an employee's record consists of a combination of full-time and part-time service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.
- E.
1. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee's performance. Standard performance shall earn a two (2) step increase.
 2. For any employee hired on or after July 15, 1977, the determination as to whether or not to grant merit increases for the top two (2) steps of the pay range, and if granted, in what amounts, shall be solely within the discretion of the Superior Court and shall be based on merit.
- F. If, in the Superior Court's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance might be productive, the Superior Court shall complete the performance evaluation and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee's merit increase eligibility date shall not be changed by such deferral.
- G. Should an employee's merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee's merit increase eligibility date.

Section 4. Salary on Promotion or Temporary Promotion

- A. Except as modified by B., below, a regular, limited-term or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class.
- B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she is promoted and had demonstrated at least standard performance. The employee's merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.

Section 5. Salary on Reassignment

- A. When a regular, limited-term or probationary employee is reassigned to a class with the same recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.
- B. When a regular, limited-term or probationary employee is reassigned to a class with a higher recruiting step, such employee's salary shall be advanced the number of steps difference between recruiting steps and the employee shall retain his or her former merit increase eligibility date, except as provided in E., below. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.
- C. When a regular or limited-term employee is reassigned to a class with a lower recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.
- D. When a probationary or probationary limited-term employee is reassigned to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

- E. When a regular, limited-term or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps or a series of reassignments among classes on different salary ranges, his or her salary and merit increase eligibility date shall be determined by the Superior Court.

Section 6. Salary on Reduction

- A.
 - 1. When a probationary employee is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3.C., above, or the employee's salary and merit increase eligibility date may be determined by the Superior Court.
 - 2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the Superior Court is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.
- B. When a regular or limited-term employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class, unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.
- C. When a regular or limited-term employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.
- D. When a regular, limited-term or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:

1. If the salary of the employee is the same or less than the maximum of the new class, the salary and merit increase eligibility date of the employee shall not change.
2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

Y-RATE SCHEDULE

<u>Years of Full-Time Continuous Service</u>	<u>Duration of Y-Rate</u>
Less than 5 years	Two years from the date of reclassification
5 years but less than 10 years	Three years from the date of reclassification
10 years but less than 15 years	Four years from the date of reclassification
15 years but less than 20 years	Five years from the date of reclassification
20 years but less than 25 years	Six years from the date of reclassification
25 years or more	Seven years from the date of reclassification

3. When an employee on Y-Rate accepts a voluntary reduction, his or her salary shall be reduced by the amount of the difference between the maximum salary of the class from which the employee is being reduced and the maximum salary of the new class.

Section 7. Salary on Reclassification

The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:

- A. If the position is reclassified to a class with the same salary range, the salary and merit increase eligibility date of the employee shall be governed by Article II, Section 5.A., B. or C.
- B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article II, Section 4.A.
- C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be governed by Article II, Section 6.D.2.

Section 8. Salary on Re-employment

- A. The promotional probation provisions in this Article/Section would no longer apply to County employees hired by the Superior

Court. Probation periods for County employees hired by the Court shall be as set forth in Article III., Section 1.A. "New Probation".

- b. For purposes of this Section, immediate family shall be defined as child, parent, spouse, or domestic partner. "Child" shall be defined by California Labor Code section 233 meaning a biological, foster, or adopted child, a stepchild, a legal ward, a child of a domestic partner, or a child of a person standing in loco parentis, and "parent" means a biological, foster, or adoptive parent, a stepparent, or a legal guardian. 3. Upon request, an employee who has requested and identified a valid need for Family Leave pursuant to Article IV, Section 14, and applicable law, shall be granted Official Leave to the extent required by such law. - e. Submit to the Chief Human Resources Officer of the Superior Court a written request for donations accompanied by a medical statement from the employee's or family member's physician; the attending physician's statement must verify the employee's need for an extended medical leave and must include an estimated time the employee will be unable to work.

- A. If an employee does not present a grievance/appeal or does not appeal the decision rendered regarding his or her grievance/appeal within the time limits, the grievance/appeal shall be considered resolved.
- B. If a Superior Court representative does not render a decision to the employee within the time limits, the employee may, within seven (7) calendar days thereafter, appeal to the next step in the procedure.
- C. If it is the judgment of any management representative that he or she does not have the authority to resolve the grievance/appeal, he or she may refer it to the next step in the procedure. By mutual agreement of the Superior Court and OCEA, any step of the procedure may be waived.
- D. The Chief Executive Officer may temporarily suspend grievance/appeal processing on a section-wide, division-wide or court-wide basis, in an emergency situation. OCEA may appeal this decision to a panel comprised of the Court's Presiding Judge, Assistant Presiding Judge and one Supervising Judge.

- E. Upon written consent of the parties (i.e., the representatives of the Superior Court and the employee or his or her representative), the time limits at any step in the procedure may be extended.
- F. Every reasonable effort shall be made by the employee and the Superior Court to resolve a grievance/appeal at the lowest possible step in the grievance/appeal procedure.
- G. No claim shall be granted for retroactive adjustment of any grievance prior to sixty (60) calendar days from the date of filing the written grievance.
- H. In order to encourage frank discussion and compromise in attempting to resolve grievances and other labor disputes, the Superior Court and OCEA agree that the files of the respective parties concerning such matters shall be confidential, except that this shall not restrict any access that either party might otherwise have to the other's files.

Section 3. Submission of Grievances

- A. Any employee or group of employees shall have the right to present a grievance. No employee or group of employees shall be hindered from or disciplined for exercising this right.
- B. If any two (2) or more employees have essentially the same grievance they may, and if requested by the Superior Court must, collectively present and pursue their grievance if they report to the same immediate supervisor.
- C. If the grievant is a group of more than three (3) employees, the group shall, at the request of the Superior Court, appoint one (1) or two (2) employees to speak for the collective group. To be considered a grievant in a group grievance, each employee must be individually identified as a grievant when the grievance is submitted at Step 3.

Section 4. Employee Representation

- A. An employee may represent himself or herself or may be represented by OCEA in the formal grievance/appeal procedure.
- B. Authorized grievance/appeal representatives shall be regular Superior Court employees, in the same Representation Unit as the grievant/appellant, who are members of and are designated by OCEA to represent employees for purposes of the grievance/appeal procedure. OCEA shall notify the Chief Executive Officer of the names and titles of such representatives.
- C. Representation at step 1 of the grievance procedure shall be limited to one (1) authorized employee grievance/appeal representative employed in the

Representation Unit in which the grievance is filed. OCEA staff representatives may represent the employee at Steps 2, 3 and 4 of the grievance/appeal procedure.

- D. If an employee chooses not to be represented by OCEA, OCEA may have staff representatives present at Step 3 and Step 4 of the grievance/appeal procedure and, if necessary, shall have the right to present OCEA's interpretation of provisions of this Agreement at issue. Such presentation shall not include comments regarding the merits of the grievance.

Section 5. Time Off for Processing Grievances/Appeals

A. Reasonable time off without loss of pay shall be given to:

1. an employee who has a grievance/appeal in order to attend a meeting with his or her supervisor or other person with authority under the grievance/appeal procedure to resolve the matter or to meet with his or her grievance/appeal representative;
2. an authorized grievance/appeal representative in order to attend a meeting with the represented grievant's/appellant's supervisor or other person with authority under the grievance/appeal procedure to resolve the grievance/appeal or to obtain facts concerning the action grieved/appealed through discussion with the grievant/appellant or other employees or through examination of appropriate Court records or locations relating to the grievance/appeal.

B. The following restrictions shall apply in all cases to activity authorized in Section 5.A., above:

1. Before performing grievance/appeal work, the grievant/appellant or grievance/appeal representative shall obtain permission of his or her supervisor and shall report back to the supervisor when the grievance/appeal work is completed.
2. Neither the grievant/appellant nor the grievance/appeal representative shall interrupt or leave his or her job to perform grievance/appeal work if his or her supervisor determines that such interruption or absence will unduly interfere with the work of the unit in which the grievant/appellant or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.
3. When an authorized grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the representative shall be permitted to do so provided that:

- a. the representative checks in and checks out with the supervisor of the unit; and
- b. such investigation does not unduly interfere with the work of the unit.

Section 6. Informal Discussion

If an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his or her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively towards settlement.

Section 7. Grievance/Appeal Steps

The grievance/appeal procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

Step 1: Immediate Supervisor

An employee may formally submit a grievance to the immediate supervisor within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within seven (7) calendar days after receipt of the written grievance, the immediate supervisor and/or such other representative(s) as may be designated by the Superior Court shall meet with the grievant. Within seven (7) calendar days thereafter, a written decision shall be given to the grievant. The Superior Court shall, whenever practicable, notify the grievant if more than two (2) management representatives shall attend the Step 1 grievance meeting.

Step 2: Division Director/Manager

If the grievance is not settled under Step 1, it may be presented to the Division Director/Manager. The grievance shall be submitted within seven (7) calendar days after the receipt of the written decision from Step 1. Within seven (7) calendar days after the receipt of the written grievance, the Division Director or his or her representative(s) shall meet with the grievant. Within seven (7) calendar days thereafter, a written decision shall be given to the grievant.

Step 3: Chief Executive Officer

If the grievance is not settled under Step 2 and it concerns:

- A. an interpretation or an application of this Memorandum of Understanding;
- B. a substandard performance evaluation;
- C. a deferral or denial of a merit increase, or a dispute about the number of Steps granted;
- D. a written reprimand; or
- E. a probationary release alleging discrimination;

it may be appealed in writing to the Chief Executive officer within seven (7) calendar days after receipt of the written decision from Step 2. Appeal of a suspension and/or a reduction may be submitted in writing at Step 3 within ten (10) calendar days after receipt of the notice of suspension and/or reduction. Within fourteen (14) calendar days after receipt of the written grievance/appeal, the Chief Executive Officer or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant. The decision of the Chief Executive Officer in B., C., and D., above, shall be final and binding and shall not be referable to an Impartial Hearing Officer.

Step 4: Impartial Hearing Officer

A. Grievances

1. If a grievance is not resolved under Step 3, a request for a hearing by an Impartial Hearing Officer may be presented in writing to the Chief Executive Officer within seven (7) calendar days from the date a decision was rendered at Step 3. As soon as practicable thereafter, or as otherwise agreed to by the parties an Impartial Hearing Officer shall hear the grievance and render an advisory decision.
2. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled hearing before the Impartial Hearing Officer.

B. Disciplinary Appeals

1. Submission Procedure

- a. If an appeal from suspension or reduction is not settled at Step 3, a request for a hearing an Impartial Hearing Officer may be presented to the Chief Executive Officer within seven (7) calendar days from the date the decision was rendered.
- b. A request for a hearing by an Impartial Hearing Officer of any discharge appeal may be presented to the Chief Executive Officer within ten (10) calendar days from the date the action becomes final.
- c. All disciplinary appeals shall be signed by the appellant or by a representative of OCEA and shall be submitted in writing.
- d. The issues in all disciplinary appeals shall be: Was (employee's name) (suspended/reduced/discharged) for reasonable cause? If not, what remedy is the recommended remedy under the provisions of Article IX, Section 7. of this Memorandum of Understanding?
- e. As soon as practicable after a suspension, reduction or discharge appeal is presented to the Chief Executive Officer, an Impartial Hearing Officer shall hear the appeal.
- f. A written decision of the Impartial Hearing Officer shall be given to the parties.

2. Findings of Facts and Remedies

An Impartial Hearing Officer may recommend sustaining, reducing or rescinding an appealed disciplinary action as follows and subject to the following restrictions:

a. All Disciplinary Action

If the Impartial Hearing Officer finds that the disciplinary action was taken for reasonable cause, he/she shall recommend sustaining the action.

b. Suspensions/Reductions

If the action is recommended to be modified or rescinded, the Impartial Hearing Officer shall recommend which pay and/or fringe benefits should be restored to the appellant.

c. Discharges

1. If an Impartial Hearing Officer recommends that the order of discharge be modified, he/she shall recommend that the appellant be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the appellant was removed from duty.
2. If an Impartial Hearing Officer recommends that the order of discharge should be rescinded, he/she shall recommend that the appellant be reinstated in a position in his or her former class and receive pay and fringe benefits for all of the period of time he or she was removed from duty.
3. Restoration of pay and benefits shall be subject to reimbursement of all unemployment insurance and additional outside earnings which the appellant received since the date of discharge

C. Probationary Releases Alleging Discrimination

1. The issues to be submitted to an Impartial Hearing Officer in grievances filed pursuant to Article III, Section 1.C.3. shall be as follows and shall be submitted consistent with Step 4.A., above.
 - a. The issue shall be: Was the probationary release of (employee's name) in whole or in part the result of discrimination in violation of Article XV, NONDISCRIMINATION, of the Memorandum of Understanding between the parties?
 - b. If so, what is the recommended remedy under the provisions of Article IX, Section 7.C.2., Findings of Facts and Remedies of this Memorandum of Understanding?

2. Findings of Facts and Remedies

- a. In the event an Impartial Hearing Officer finds no violation of Article XV, NONDISCRIMINATION, he/she shall recommend the grievance be denied and the issue of remedy becomes moot.
- b. In the event an Impartial Hearing Officer finds a violation of Article XV, NONDISCRIMINATION, but also finds such violation was not a substantial cause of the employee's probationary release, he/she shall recommend the grievance be denied and the issue of remedy becomes moot.
- c. In the event an Impartial Hearing Officer finds a violation of Article XV, NONDISCRIMINATION, and also finds that the violation was a substantial cause of the probationary release of the employee, an Impartial Hearing Officer's recommendation shall depend upon the significance of the violation and shall be in keeping with the following alternatives:
 1. The probationary release may be sustained.
 2. The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.
 3. The employee may be reinstated in a position in his or her former class with full back pay and benefits for all of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

D. General Provisions

1. Grievance/Appeal hearings by an Impartial Hearing Officer shall be private.
2. Within 10 days of the date that the employee files the notice of appeal, the court and the employee, or if the employee is represented, the employee's representative, shall attempt mutually to agree on an experienced labor arbitrator to serve as the Government Code section 71653 impartial hearing officer. The

parties may extend this date by mutual consent. If the parties are unable mutually to select an arbitrator, they shall request a list of seven experienced labor arbitrators from the State Mediation and Conciliation Service or other mutually agreed upon resource.

3. The proceedings shall conform with the provisions of Sections 71653(b) through (f) of the Government Code.
4. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.
5. An employee shall not suffer loss of pay for time spent as a witness at an appeals hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable.
6. At the hearing, both the appealing employee and the Court shall have the right to be heard and to present evidence. The following rules shall apply:
 - a. Oral evidence shall be taken only on oath or affirmation.
 - b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.

7. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded. Resolution of issues concerning procedure and evidence shall be decided by the Impartial Hearing Officer.
8. The cost of the hearing officer shall be equally shared by the appellant and the Court.
9. The hearing officer shall have no authority to add to, detract from, alter, amend, or modify any of the court's rules, policies, procedures or this Memorandum of Understanding.
10. All Impartial Hearing Officer decisions shall be reviewed by a panel comprised of the Court's Presiding Judge, Assistant Presiding Judge and one Supervising Judge.
11. The decision of the hearing officer in disciplinary appeals shall be reviewed as provided in Section 71654 (a) through (c) of the Government Code.

ARTICLE X - LAYOFF PROCEDURE

Section 1. General Provisions

- A. This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.
- B. This procedure shall not apply to employees who have special or unique knowledge or skills which are of special value in the operation of the Superior Court.
- C. Section 7., Re-employment Lists, and Section 8., Status on Re-employment, of this Article, shall not apply if the Superior Court has a written agreement with an employer, public or private, which guarantees the employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by Bargaining Unit employees and the new employer makes such an offer in writing to the employee.

Section 2. Order of Layoff

- A. When a reduction in the work force is necessary, employees in regular positions and those occupying limited-term positions at the direction of the Chief Executive Officer shall be laid off in an order based on consideration of:
 - 1. employment status,
 - 2. past performance,
 - 3. length of continuous service.
- B. Layoffs shall be made by class except that:
 - 1. Where a class has a dual or multiple concept, the Chief Executive Officer may authorize a layoff by specialty within the class.
 - 2. Where appropriate, the Chief Executive Officer may authorize a layoff by division or smaller unit.
- C. Within a class, employees shall be subject to layoff in the following order:

Employment Status

Layoff Order

First – Temporary Promotion

Determined by Superior Court

Second – New Probationary

Determined by Superior Court

Third- Regular/Promotional Layoff Points
Probationary

After all employees on temporary promotion and new probationary employees have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the Superior Court shall determine the order of layoff for these employees.

- D. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.
- E. OCEA may designate employees who are regular OCEA officers or grievance representatives to receive special seniority for purposes of layoff. The number of employees so designated shall not exceed two (2) percent of the employees in the Representation Unit. Employees so designated shall receive two hundred sixty (260) layoff points in addition to layoff points computed pursuant to Section 3., below.

Section 3. Computation of Layoff Points

Seniority Points:

The equivalent of each year of full-time continuous service shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For each point below three hundred (300) on the last "Performance Evaluation Report," for the class currently held by the employee, the employee shall earn five (5) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be applied to an employee seeking to enter a lower class through voluntary reduction in lieu of layoff.

Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

- A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.
- B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the work force is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.
- C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee's hire date, the employee's layoff points, a list of classes in the employee's occupational series within the layoff unit, the employee's rights under Sections 5. and 6. and the right of the employee to advise the Superior Court of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

- A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.
- B.
 - 1. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify the Superior Court in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify the Superior Court of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.
 - 2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the person is personally served, or if service is made by mail, five (5)

calendar days, excluding weekends and holidays, following date of proof of service by mail to notify the Superior Court of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

3. Failure by an employee to respond to the Superior Court pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee's hire date stated in the layoff notice was correct.
4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the Superior Court as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on SUPERIOR COURT REINSTATEMENT LISTS pursuant to Section 7.A. and B., below.

Section 7. Re-employment Lists

- A. The names of persons laid off, persons exercising their rights under Section 5, and/or persons who voluntarily reduced under the provisions of Section 6 shall be placed on a SUPERIOR COURT REINSTATEMENT LISTS for each class in the occupational series at or below the level of the class from which laid off. The names of such persons shall be placed on SUPERIOR COURT REINSTATEMENT LISTS in the order of their respective layoff points, going from highest to lowest.
- B. Positions to be filled shall be offered first to persons on the SUPERIOR COURT REINSTATEMENT LIST for that class starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.
- C. The names of persons laid off shall be placed on the SUPERIOR COURT PREFERRED ELIGIBLE LIST for the class from which they were laid off and for any class from which they previously voluntarily reduced pursuant to Section 5., in the order of their layoff scores, going from highest to lowest. Persons on the SUPERIOR COURT PREFERRED ELIGIBLE LISTS shall receive consideration

for vacant positions after any Reinstatement Lists have been exhausted but before consideration is given to candidates on other eligible lists.

D. Names of persons placed on the SUPERIOR COURT REINSTATEMENT LIST and the SUPERIOR COURT PREFERRED ELIGIBLE LIST shall remain on the lists for two (2) years, except that:

1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.
2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that class.
3. An employee who upon retirement signs a statement electing not to be eligible for re-employment under this provision shall have his or her name excluded from the aforementioned lists.

E. Re-employment lists shall be available to OCEA and affected employees upon reasonable request.

Section 8. Status on Re-employment

A. An employee who has been laid off under the provisions of this Article and is subsequently re-employed in a regular or limited-term position within a two (2) year period from the date of his or her layoff shall receive the following considerations and benefits:

1. All sick leave credited to the employee's account when laid off shall be restored.
2. All seniority points held upon layoff shall be restored.
3. All prior service shall be credited for the purpose of determining sick leave and vacation earning rates and service awards.
4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.
5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay except that a probation period shall be established as determined by Article III, Sections 1.B.1. and 1.B.2. if re-employment is in a higher class or an occupational series different from that employed in at the time of layoff.

B. An employee who has voluntarily reduced under the provisions of this Article and is subsequently re-employed, within a two (2) year period from the date of reduction, in a regular or limited-term position in the class from which the employee reduced shall receive the following considerations:

1. The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay, or at the step on the salary range closest to, but which does not exceed, the employee's salary in the lower class, whichever is higher.
2. The merit increase eligibility date shall be reestablished as determined by the Chief Executive Officer.
3. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.

C. An employee who is voluntarily reduced under the provisions of this Article and is subsequently re-employed, within a two (2) year period from the date of reduction, in a class higher than the one from which the employee was reduced shall receive the following considerations:

1. The employee shall be deemed returned to the class from which the employee had been reduced as provided in B., above.
2. The employee's salary, probation period and merit increase eligibility date shall be determined by treating the employee as though he or she is being promoted from such class.

**ARTICLE XI - ON-THE-JOB INJURY, WORKERS' COMPENSATION
SUPPLEMENT PAY**

Section 1. Treatment of Industrial Injuries

Whenever an employee sustains an injury or disability arising out of and in the course of employment and requires medical care, the employee shall obtain treatment according to the provisions of the California Labor Code Section 4600 et seq.

Section 2. Workers' Compensation Supplement Pay

- A. Whenever an employee is compelled to be absent from duty by reason of injury or disease arising out of and in the course of employment, the employee shall receive workers' compensation supplement pay which, when added to the workers' compensation temporary disability benefit, shall equal eighty (80) percent of the employee's base salary for a period not to exceed one (1) year including holidays.
- B. Workers' compensation supplement pay shall begin the same day as the workers' compensation temporary disability benefits. Prior to qualifying for workers' compensation temporary disability benefits, an injured employee may, at his or her option, use any accrued sick leave, compensatory time and/or vacation, in that order.
- C. While an employee receives workers' compensation supplement pay, no deductions nor payments shall be made from any sick leave, compensatory time or vacation time previously accumulated by the employee. The employee shall not accrue sick leave or vacation credit during the period in which the employee receives workers' compensation temporary disability benefits.
- D. When an injury is determined to be job-related by the Court or by the Workers' Compensation Appeals Board, eighty (80) percent of all sick leave, compensatory time and/or vacation expended since the fourth day of disability shall be restored to the employee's account(s), except that if the injury required the employee's hospitalization or caused disability of more than fourteen (14) days, eighty (80) percent of all sick leave, compensatory time and/or vacation expended since the first day of disability shall be restored to the employee's account(s).
- E. The merit increase eligibility date and probation period of any employee who receives workers' compensation benefits shall be extended by the length of time the employee receives such benefits, except that the first fifteen (15) consecutive calendar days from the date of the injury shall be considered service for merit increase eligibility and completion of the probation period.
- F. When an employee is no longer entitled to receive workers' compensation supplement pay, the employee may, at his or her option, use sick leave,

compensatory time and vacation, in that order, if the employee is compelled to be absent from duty as set forth in Paragraph A., above.

- G. Time during which an employee receives workers' compensation temporary disability benefits shall be counted toward the computation of seniority and determination of sick leave and vacation earning rates.

Section 3. Exposure to Contagious Diseases

Whenever an employee is compelled by direction of a Court-designated physician to be absent from duty due to an on-the-job exposure to a contagious disease, the employee shall receive full compensation for a period not to exceed forty (40) working hours for a full-time employee or seven (7) calendar days for a part-time employee. If the absence extends beyond the applicable period, sick leave, compensatory time and vacation may be used, at the employee's option, in that order.

ARTICLE XII - SAFETY

Section 1. General Provisions

Recognizing that a safe work environment is of substantial benefit to both the Court and employees, the Court and OCEA mutually agree to the following safety program:

- A. No employee shall be required to work under conditions dangerous to the employee's health or safety.
- B. The Superior Court shall make every reasonable effort to provide and maintain a safe place of employment. OCEA shall urge all employees to perform their work in a safe manner. Employees shall be alert to unsafe practices, equipment and conditions and report any such unsafe practices, equipment or conditions to their immediate supervisors. Employees shall follow safe practices and obey reasonable safety rules during the hours of their employment.
- C. Any employee who either does not receive an answer to a safety-related question from his or her supervisor within three (3) days or receives an answer which the employee deems unsatisfactory may directly contact the Court Safety Officer.
- D. Any employee who is directed to perform a task which the employee in good faith feels is unsafe may request an immediate investigation from the Court Safety Officer. During the period that the Safety Officer is conducting an investigation, the employee will be assigned to other work at no loss of earnings. If the Court Safety Officer concludes the task complained of is safe, the employee shall perform the work as instructed.
- E. The Superior Court shall furnish all equipment which is necessary for employees to perform their job in a safe manner.
- F. Wherever practicable, the Superior Court shall provide the necessary first aid kits in each location.
- G. Wherever practicable, the Superior Court shall provide first aid training for one (1) employee at each new work location.

Section 2. Safety Inspection

During inspection of Superior Court facilities conducted by the State Division of Industrial Safety for the purpose of determining compliance with the California OSHA requirements, an OCEA designated employee shall be allowed to accompany the inspector while the inspector is in the Superior Court. The employee so

designated shall suffer no loss of pay when this function is performed during the employee's regularly scheduled work hours.

Section 3. Abatement of Violations

In any instance in which the Superior Court is cited for a violation of CAL/OSHA, the Superior Court shall abate the cited hazard to health or safety within the abatement period required.

Section 4. Safety Representatives

- A. Safety Representatives may be selected by OCEA to meet at least once a month, upon request, with a Superior Court designated supervisor or manager for each Superior Court facility to discuss matters affecting employee health and safety.
- B. The number of Safety Representatives at each facility shall be determined as follows:
 - 1. For facilities with fewer than one hundred (100) Bargaining Unit employees, one (1) Safety Representative may be selected.
 - 2. For facilities with one hundred (100) or more Bargaining Unit employees, one (1) Safety Representative may be selected for each one hundred (100) Bargaining Unit employees or for each fraction thereof.
- C. A Safety Representative who has received a safety or health complaint shall be given reasonable time off without loss of pay to gather appropriate information on such complaint provided that:
 - 1. The Safety Representative obtains permission from his or her supervisor prior to performing such work and reports back to the supervisor when the work is completed.
 - 2. The Safety Representative shall not leave his or her job to perform such work unless his or her supervisor determines that the employee's absence will not unduly interfere with the work of the unit in which the employee is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so
 - 3. When an authorized Safety Representative must go into another section or unit to gather information regarding a safety or health complaint, the Safety Representative shall be permitted to do so provided that:
 - a. the Safety Representative checks in and checks out with the supervisor of the unit; and

- b. he or she does not unduly interfere with the work of the unit.

ARTICLE XIII - OCEA AND EMPLOYEE RIGHTS

Section 1. Employee Rights

The Superior Court shall not hinder or discipline an employee for exercising any rights or benefits provided in the Memorandum of Understanding.

Section 2. Payroll Deduction

- A. Membership dues of OCEA members in this Representation Unit and insurance premiums for such OCEA sponsored insurance programs as may be approved by the Board of Supervisors shall be deducted by the Court from the pay warrants of such members. The Court shall promptly transmit the dues and insurance premiums so deducted to OCEA.
- B. OCEA shall notify the Court, in writing, as to the amount of dues uniformly required of all members of OCEA and also the amount of insurance premiums required of employees who choose to participate in such programs.

Section 3. Employee Information Listing

Once each quarter, during the term of this Memorandum, the Superior Court shall provide OCEA with a listing of all current employees in this Unit. Such file shall include employee name, job classification, department, timekeeping location, salary range and step. The Superior Court shall also provide OCEA with any other information needed pursuant to Article XVII, Section 3. OCEA agrees to pay all costs necessary to providing such lists.

Section 4. Use of Bulletin Boards

Space shall be made available to OCEA on Superior Court bulletin boards within the Representation Unit provided such use does not interfere with the needs of the Superior Court and material posted is not derogatory to the Superior Court, or other employee organizations or to Superior Court employees. Notice shall be dated and signed by the authorized representatives of OCEA responsible for its issuance.

Section 5. Use of Superior Court Facilities

OCEA may, with the approval of the Chief Executive Officer, hold meetings of their members at Superior Court facilities during non-working hours provided request is made to the Chief Executive Officer as to the specific location and dates of the meeting prior to such meeting.

ARTICLE XIV - MANAGEMENT RIGHTS

The Superior Court retains any rights, powers or authority it had prior to the signing of this Agreement except as those rights are or may during the term of this Agreement be directly or indirectly affected by this Agreement or applicable law. Such rights shall include, by way of example but not limitation, the right to manage the Superior Court and direct the work force, including the right to hire, select, discipline, transfer and assign work. Nothing in this provision shall be construed to restrict grievances concerning this Agreement or to limit or waive the rights of the parties pursuant to law or this Agreement.

ARTICLE XV - NONDISCRIMINATION

Section 1.

The parties agree that the provisions of this Memorandum of Understanding shall be applied to employees without discrimination in compliance with applicable laws including the California Fair Employment and Housing Act and Title VII of the Civil Rights Act.

Covered characteristics (as defined by applicable statute) include, but are not limited to: race, religion, color, sex, age, marital status, disability, national origin or ancestry.

Section 2.

OCEA shall not discriminate in membership or representation on any basis cited in Section 1. of this Article.

ARTICLE XVI - POSITION CLASSIFICATION

Section 1. The Establishment of New Classes

OCEA will be provided an information copy of the new class specification for any proposed class relevant to this Bargaining Unit. The parties agree to meet and confer in an attempt to reach agreement on the salary range and probation period for any such proposed class before approving and implementing the class.

Section 2. Reclassification of a Position

- A. Sections 3. and 4. shall apply only to individual classification problems or studies involving small numbers of employees where the issue is a question of allocating a position to the appropriate class. Classification Maintenance Reviews are excluded from the provisions of Sections 3. and 4.
- B. Classification Maintenance Review is defined as: 1) any study which involves all positions in a class or series except for a class or series with five (5) or fewer positions; 2) any study which involves all positions in an organizational unit which is greater than five (5) positions; 3) any study in which the class concept, minimum qualifications or salary relationship is at issue.
- C. By mutual agreement, the Superior Court may contract with a consultant to carry out Classification Maintenance Reviews. Provisions of Section 5. will apply.

Section 3. Procedure for Requesting Reclassification of a Position

Step 1: An employee who believes his or her position is not properly classified may submit a written request to the Chief Executive Officer that a classification study be conducted. Requests shall state the reasons the employee believes the present class is not appropriate and which class the employee believes is appropriate based on the employee's present duties.

Step 2: Appropriate Superior Court response to an employee's request for reclassification includes, but is not limited to, denial of request or initiation of a classification study.

- A. If the request is denied, the employee shall be given a written statement of the reasons for the denial. If management denies the request or fails to respond within thirty (30) calendar days, the employee may submit the request to OCEA for consideration.
- B. If a study of the position is initiated at the employee's request as provided above and the employee does not agree with the classification decision as approved by the Superior Court, the employee may submit the request to OCEA.

Step 3: After receiving an employee request for study, OCEA may request in writing that a classification study of the position be initiated or refer the matter to a consultant, as provided in Step 4. Such requests are to be timely.

Step 4: The Chief Executive Officer, in conjunction with the Executive Officer of Human Resources, shall determine when the position was last studied and whether there has been a change of duties or change in classification structure which justifies restudy.

- A. If the study is justified and the request is made under Step 2.A., the employee shall be given a Position Description Form within fifteen (15) days. Within one hundred twenty (120) calendar days after the Chief Executive Officer receives the completed Position Description Form, OCEA shall be notified of the appropriate classification of the position.
- B. If the study is justified, and the request is made under Step 2.B., the study shall be completed in thirty (30) days and the results communicated to OCEA. If the study is not completed within thirty (30) days, upon request of OCEA the matter shall be referred to a consultant under the provisions of Section 5. of this Article.
- C. If the study is not justified, OCEA shall be notified within fifteen (15) days. OCEA may accept the position that the study is not justified or may request a consultant review as provided in Section 5.

Section 4. Limitations on Concurrent Studies

- A. There shall be no requirement to initiate a study if the total number of positions currently requested by OCEA for reclassification studies plus the new request exceeds five (5) positions for the combined Superior Court Units represented by OCEA.
- B. The numerical limitation shall apply only to studies for which Position Description Forms have been initiated and shall not include studies which have been referred to or are pending referral to a consultant.
- C. In the event of a major layoff of Superior Court employees, all time limits in Section 3. of this Article shall be extended forty-five (45) days.

Section 5. Review of Disputed Position Classification Decisions

- A. If the Superior Court does not respond at the end of the appropriate time period as specified in Section 3., Step 4 of this Article or OCEA does not agree with a position classification decision as approved by the Superior Court after the steps in Section 2. or 3. of this Article have been followed, the issue may be presented to a classification consultant for advisory review. Other provisions notwithstanding, no

more than fifty (50) positions may be referred to a consultant per fiscal year except that any maintenance study done by a consultant shall not be included.

- B. The consultant's review shall be documented on forms supplied by the Superior Court and used by the Court for documenting its classification decisions.
- C. The consultant shall have access to the organizational and classification files of the Superior Court Human Resources Department and shall have the right to conduct the classification study in the manner the consultant deems most appropriate.
- D. Any salary change for any employee resulting from a consultant's advisory recommendation shall be effective no sooner than the beginning of the pay period following the decision at Step 4 of the procedure described in Section 3., above.
- E. A consultant shall be chosen who has experience in conducting position classification analyses for local governmental agencies. The consultant will be chosen by a committee with an equal number of Superior Court and OCEA members. The cost of the consultant shall be shared equally by the Superior Court and OCEA.

ARTICLE XVII - INSURANCE

Section 1. Health Plan Premium

- A. Except as modified in Section 1.C., below, the State and or Superior Court in accordance with the applicable laws will pay ninety (90) percent of the employee's premium or seventy-five (75) percent of the total health plan premium, whichever is greater, for each full-time regular, limited-term, or probationary employee and such employee's dependents.
- B. Except as modified in Section 1.C., below, the State and or Superior Court in accordance with the applicable laws will pay fifty (50) percent of the employee's premium or thirty-seven and one-half (37 ½) percent of the employee's total health plan premium, whichever is greater, for each part-time regular, limited-term or probationary employee and such employee's dependents provided the employee's normal workweek consists of at least twenty (20) hours and the employee pays the balance of his or her premium. Coverage shall be terminated for any employee whose normal assigned hours are reduced to less than twenty (20) in a full workweek.
- C. For employees who are on approved leave which meets the requirements of Family Leave pursuant to Article IV, Section 15 and applicable law, the State and or Superior Court in accordance with the applicable laws shall continue to pay health insurance premiums as provided in A and B, above, to the extent required by applicable law.

Section 2. Health Plan Enrollment

- A. New eligible employees will be enrolled for coverage in health plans effective the first day of the month following the first thirty (30) days of employment. Employees failing to elect a plan will be enrolled in the Wellwise PPO Health Plan.
- B. Terminated employees will be continued with coverage in all health plans until the last day of the calendar month in which they terminate.
- C. Employees will be given the opportunity to change medical plans at date of retirement.
- D. In all health plans the County shall provide a one (1) month period each year for open enrollment of employees, employees' dependents and retirees.
- E. The parties agree to reopen this agreement if at any time during the life of the agreement the County either refuses to continue to administer Court benefits or prices those benefits in such a way as to not be cost effective to continue with the County administered benefits. The Court agrees to provide promptly to OCEA

information relevant to bargaining unit members that may reasonably impact whether the County will discontinue to provide the benefit(s) or price the benefit(s) so that it is not competitive.

Section 3. Other Insurance Coverage

- A. OCEA shall maintain a trust fund administered in compliance with applicable state and federal law, for the purpose of providing dental, vision, disability and other benefits for employees in regular or limited term positions in this Representation Unit.
- B. The Court shall, on a biweekly basis, forward thirty (30) cents per hour for all regular hours paid for all employees in this Representation Unit for deposit in said trust fund; the Court shall forward at least monthly an amount equal to thirty (30) cents for each regularly scheduled hour in each full pay period of unpaid leave which meets the requirements of Family Leave pursuant to Article IV, Section 15 and applicable law.
- C. Insurance coverages provided through the trust fund with monies contributed by the State and Court shall be made available by OCEA to all employees in the Representation Unit on an equal basis regardless of membership status.
- D. OCEA shall indemnify and hold the Court harmless from any claims or legal actions brought under this Section.
- E. Not more than once each year, upon written request, the trustee of the trust fund will provide the Court with correspondence verifying the trust fund's compliance with applicable law during the previous contract year. Not more than once each contract year, the trustees shall also, upon written request, provide the Court with the following:
 - 1. Upon completion, a copy of the annual independent financial report of the trust fund by a certified Public Accountant and form 5500.
 - 2. The annual report shall include the following information:
 - a. The actual cost of benefits provided by the trust fund
 - b. Member contributions to the cost of benefits provided by the trust fund;
 - c. Rate increases by carriers for the immediately preceding year of insured benefits provided through the trust fund, if applicable (or, if not included in this report, these shall be provided separately);

- d. A summary of other trust fund expenditures; and
 - e. The beginning and ending cash balances of the trust fund.
3. The annual report shall be provided to the Court within thirty (30) days of either the Court's written request or the report's completion, whichever shall last occur.
 4. A letter from the Certified Public Accountant for the trust fund verifying that the transactions of the trust fund during the previous year have been reviewed, that payments have been made consistent with contractual agreements, and that required tax returns have been filed in accordance with applicable laws.

Section 4. Premium Only Plan

The County will administer a Premium Only Plan that will allow an employee to pay for health insurance premiums as permitted in the Internal Revenue Code. Under the plan, an employee's gross taxable salary will be reduced by the amount of his or her share of the premium costs of County-provided health insurance coverage.

Section 5. Retiree Medical Benefit

The parties agree to reopen this agreement if at any time during the life of the agreement the County either refuses to continue to administer the retiree medical benefit for the Court or prices the retiree medical benefit in such a way as to not be cost effective to continue with the County administered retiree medical insurance. The Court agrees to provide promptly to OCEA information relevant to bargaining unit members that may reasonably impact whether the County will discontinue to provide the retiree medical benefit or price the benefit so that it is not competitive.

ARTICLE XVIII - DEFERRED COMPENSATION

An employee in a regular position may, at his or her request, participate in the County's Deferred Compensation Plan.

ARTICLE XIX - RETIREMENT

Section 1. Participation in County of Orange Retirement Plans

- A. To the extent permitted and required by law (i.e., The County Employees Retirement Law, commonly referred to as the “1937 Act”, as contained in Government Code section 31450 et seq.), eligible Court employees shall participate in the defined benefit retirement plans administered by the County of Orange (i.e., the plan sponsor).
1. Court-specific provisions related to the “2.7% at age 55” plan
 - a. Effective with the pay period that commences on June 29, 2012, general members in this bargaining unit will make an additional retirement contribution to the retirement system, in an amount equal to the reverse pick-up amount paid by the County General Unit of their compensation earnable. This contribution shall be in addition to the normal employee contribution required to help provide full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the actuary. The additional employee contribution made under this paragraph shall be in accordance with, and for the purposes stated, in Section 31678.3(d) of the Government Code. This additional employee contribution shall continue beyond the expiration of this MOU, for the purpose of amortizing, over a thirty (30) year period, the cost of the retirement benefit improvement resulting from the adoption of the “2.7% at 55” benefit formula in Section 31676.19 of the Government Code.
 - b. It is the intent of the parties that the implementation of the “2.7% at age 55” retirement benefit formula shall be without additional cost to the Superior Court. After implementation of this benefit, the Superior Court and OCEA will annually review its cost (including costs impacted by changes in investment earnings).
 2. Court-specific provisions related to the “1.62% at age 65” plan (commonly referred to as “Tier 3” or the “Hybrid Plan”)
 - a. Eligible Court employees who are participants in the 1.62% at age 65 plan will not be subject to any reverse pick up contributions in accordance with Government Code section 31678.3(d) for Plan I or Plan J (i.e., the 2.7% at age 55 plan).

Section 2. Tax-Deferred Retirement Plan

The County will administer an approved tax-deferred retirement plan which allows employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall be in effect for the term of this Memorandum of Understanding subject to approval by the Internal Revenue Service.

ARTICLE XX- SEPARABILITY

In the event that any provisions of this Memorandum are declared invalid by any court of competent jurisdiction, such decision shall not invalidate the entire Memorandum, it being the express understanding of the parties that all other provisions not declared invalid shall remain in full force and effect.

ARTICLE XXI - **RECOGNITION**

Pursuant to the Superior Court Personnel Policies and Regulations and applicable State law, the Orange County Employees Association is the Exclusively Recognized Employee Organization for the Court Clerk Unit for classes in effect on August 5, 1994. Said classes are listed in Appendix A.

ARTICLE XXII - DEPENDENT CARE ASSISTANCE PROGRAM

The County will administer a Dependent Care Assistance Program that will allow employees to take advantage of a salary reduction program to pay for dependent care as permitted in the Internal Revenue Code.

ARTICLE XXIII - OCEA/COURT LABOR/MANAGEMENT COMMITTEE

Labor Management Committees (LMC's) generally shall be assembled on an ad hoc or project basis and shall be comprised of equal numbers of OCEA members and Court management employees.

A standing workplace issues committee shall meet as needed, and shall be comprised of no more than five (5) OCEA members and five (5) Court management employees. Members of this standing committee shall be scheduled to meet no less than quarterly and if there are no new or pending workplace issues, the scheduled quarterly meeting shall be cancelled.

Members shall generally be appointed for continuous periods of service of not longer than two (2) years.

The OCEA sponsor shall be notified and invited to participate on the committees, as will the Court sponsor (or designee). The sponsors may attend or participate, as they deem necessary. OCEA members of the committees shall be recruited and selected by OCEA.

ARTICLE XXIV - SALARIES

Wages:

1. Effective as of the first day of the full pay period following ratification by both parties, all classes shall receive a general salary increase of two percent (2%) to base pay.
2. Effective as of July 8, 2016, all classes shall receive a general salary increase of one-half of one percent (.5%) to base pay.

Economic Reopener:

On or after August 1, 2016, at the request of either party in writing, the parties agree to reopen to negotiate wages if the following conditions are met: The funding growth from Fiscal Year 2015-16 to Fiscal Year 2016-17 of the Court's base allocation for court operations received from the Judicial Council is greater than \$4,500,000, excluding any funding specifically appropriated or allocated in the Court's base allocation for employee benefits (current year or prior years), specific reimbursements, one-time funding, and/or program-specific funding.
