Pay Traffic Tickets On-Line**

Santa Ana, Ca. - Payment for traffic citations issued in Orange County or payment for traffic school can now be made by credit card at the Orange County Superior Court's Internet site at www.occourts.org.

"The Court is providing this service as an added convenience for the public. Each year approximately 500,000 motorists are issued a ticket in Orange County for traffic infractions. Of those who are issued citations, 75% choose to pay the fine or attend traffic school," said Chief Executive Officer Alan Slater. In addition to the Court's Internet site, the Court also accepts Visa, MasterCard and Discover credit card payments via the telephone, mail or in person, said Slater. Other acceptable forms of payment include check, cash or money order.

The Court has contracted with ACS State and Local Solutions, Inc. for the traffic payment Internet service. If you use the Internet to pay a traffic citation, a \$4.00 providers fee will be assessed in addition to the payment.
