Santa Ana – The Honorable Charles Margines, assistant presiding judge and chair of the Grand Jury Recruitment/Selection Committee, announced the appointment of Paul Borzcik as foreperson of the 2014-2015 Orange County Grand Jury. “Mr. Borzcik’s impressive work history, leadership skills, and educational background provide a strong foundation to lead the Grand Jury,” said Judge Margines.

“I am committed to making this Grand Jury the most successful Grand Jury based on results,” said Mr. Borzcik. He recently retired from Northrop Grumman Aerospace Systems as vice president and program manager where he successfully managed many complex space programs. Mr. Borzcik worked for TRW prior to its acquisition by Northrop Grumman in multiple program and functional vice presidential roles.

Mr. Borzcik earned a bachelor’s degree in electrical engineering from Purdue University, a master’s degree in electrical engineering from the University of Cincinnati, and a master’s degree in business administration in operations from Case Western Reserve University. He is also a graduate of UCLA’s Executive Management Program. He received the Outstanding Electrical Engineer Award from Purdue University. At TRW, he received two leadership awards and an award, on behalf of TRW, from the National Space Club. In addition, he holds two patents in the field of computer control systems.

Members of the current Grand Jury and their advisors from the offices of the District Attorney and County Counsel conducted a four-day orientation and training program for the 19 incoming Grand Jury members and the first 5 alternates. The 2014-2015 Grand Jury will be impaneled for a one-year term in a public proceeding on Tuesday, July 1, 2014, at 10:00 a.m. in Department C1 of the Court’s Central Justice Center, 700 Civic Center Drive West, Santa Ana.
